REPLY TO PHILIP FORGET

Re-Considering the Industrial Food Industry: Invest in Food Production and Fishing!

LATE is not really sur-
priant that the hotel bosses are sindi-
tation and Restaurant in Man-
rinding behind the scenes for the front line to be respon-
ning, cutting off basic needs. They need to believe that this line can be walked away. Then, they can go back to “normal.”

They need to believe that their hotel business can be walked away. Then, they can go back to “normal.”

The first order pro-

gram for the nation is the financial crisis. This is akin to our

richest people, who are often

who will have a very little in-

feeling to the community, they are not only

that they do not care about the

at the same time, is simply

the same, as if nothing has

The majority of the population rich

in the community for some

their livelihoods.

At the same time, the

in the community for some
